GAP YEAR

Whether between high school and university, or a sabbatical year during university, a gap year or semester offers opportunity for growth, reflection, adventure, or studying outside the accustomed box. We support gap-year students with direct-enrollment in university courses or internship, service-learning, and ISP.

HIGH SCHOOL

We offer high school students placement at a Sevillian high school combined with a language course at our center or a summer Spanish course, both with logistical and cultural support.

TEACHER TRAINING

For over 20 years we have offered unique training courses informed by neuroscience for over a thousand ELE teachers from around the world, who seek inspiration, renewal, reflection, and enhancement of pedagogical skills.

TELEMACHUS PROJECT

Telemachus, son of Ulysses, fights from afar, and inspires our Distance Internships, Spanish Lessons Online, Live Spanish Workshops for schools or organizations, and Live Online Spanish Summer Camp.

EXPERIENCE SEVILLE
